

# POLYU Junior Researcher Mentoring Programme 2024

<b>Code:</b>	JRMP2024_20
<b>School / Department:</b>	Department of English and Communication
<b>Name of Research Team Member(s):</b>	Dr Margo Turnbull, Assistant Professor
<b>Research Topic:</b>	Translating research into practice: Communicating about cancer with migrant workers in Hong Kong
<b>Short Description of the Research Project:</b>	<p>This project will evaluate how a series of communication materials about cancer are used by Filipino migrant domestic workers in Hong Kong. The research activities will focus on the evaluation of information content, the usefulness of this information and ways in which the materials could be improved.</p> <p>The participating students will learn about communication theories that are relevant to the design of public health information and materials. They will also help to evaluate the materials through qualitative research activities. This may involve attending occasional focus group meetings or reviewing transcripts and recordings of relevant discussions.</p>
<b>No. of Places Offered:</b>	2
<b>Frequency of Meetings:</b>	Monthly
<b>Special Requirement(s):</b>	The participating students should have an interest in health communication.
