

<p>Faculty / School:</p>	<p>School of Design (SD)</p>
<p>Short Description of the attachment programme:</p>	<p>Workshop Title: Creative Juice</p> <p>2 sessions workshop designed to unleash your creative instincts and unlock the full spectrum of your imaginative potential. In a world pulsating with innovation, mastering the art of keen observation and dynamic creation is indispensable.</p> <p>The workshops are not just about generating ideas; it's about cultivating a mindset that transforms the ordinary into the extraordinary. We'll embark on a journey exploring the depths of creativity, delving into techniques that foster keen observation and stimulate the flow of creative juices.</p> <p>Throughout "Creative Juice", the participating students will engage in interactive sessions, honing their ability to perceive nuances often overlooked. From dissecting everyday scenarios to extracting inspiration from the seemingly mundane, the workshop offers practical strategies to enhance your observational skills.</p> <p>Moreover, we'll delve into the process of creation, breaking down barriers that stifle originality. The participating students will learn to navigate the realms of divergent thinking, embrace ambiguity, and foster a climate where creativity thrives. Through hands-on exercises and collaborative activities, "Creative Juice" encourages participating students to step outside their comfort zones, exploring uncharted territories of creativity.</p> <p>Whether you're a seasoned creative professional or just starting on your creative journey, "Creative Juice" promises to be a transformative experience.</p>
