

Photograph Requirements for Student Identity Card

Please use a recent and colour photograph, showing your full face and without head coverings. The photograph should have a plain, light-coloured background. The file should be in JPG format with file size between 200 and 600KB. The acceptable dimension is:

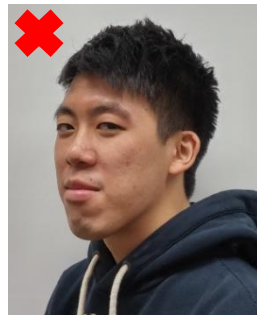

- 1) Captured by scanner (scanner quality in 600dpi) – photograph size: 40mm(W) × 50mm(H);
- 2) Captured by digital camera – image size: 1200 pixel(W) × 1600 pixel(H).

Examples of Some Unacceptable Photographs

Head coverings

Not full face

Not a plain background

Not one person
