Department of Applied Mathematics Seminar

Prof. Huanyao WEN

South China University of Technology, China

Topic
Some recent progress on mathematical analysis of a two-fluid model

Date| Time
2 May 2025 (Fri) | 16:30 – 17:30 (HK Time)

Venue
Y302

Abstract:
In this talk, we will review some previous results on the global wellposedness theory for a two-fluid model, and then introduce our recent results on rigorous justification from a meso-macro model to the two-fluid model.
