Colloquium

On

Regularity at infinity of elliptic equations

by

Professor Lihe Wang

**Department of Mathematics, University of Iowa
and
Institute of Natural Sciences, Shanghai Jiaotong University**

Abstract

In this talk, we will talk about a class of problems of elliptic equations on unbounded domains. A general review of regularity theory is also presented.

Date : June 20, 2012 (Wednesday)
Time : 2:30 p.m. – 3:30 p.m.
Venue : DE 408, The Hong Kong Polytechnic University

***** ALL ARE WELCOME *****
