Colloquium

Optimization with Approximate Sparsity

by

Prof. Xu Yuesheng

School of Mathematics and Computational Science
Zhongshan University

We shall discuss optimization models with approximate sparsity in the context of image and signal processing. A specific application of approximately sparse optimization in image inpainting will be presented.

Date : 9 January, 2015 (Friday)
Time :   11:30a.m. – 12:30p.m.
Venue : HJ610, The Hong Kong Polytechnic University
