Colloquium

On

A new theory of crude oil pricing

by

**Prof. Shouyang Wang
Chinese Academy of Sciences**

Abstract

In this talk, a new theory of crude oil pricing is introduced. The approach is based on EMD. Some future research topics related to EMD are discussed.

Date : 11 Aug, 2014 (Monday)

Time : 3:00-4:00 p.m.

Venue : HJ610, The Hong Kong Polytechnic University
