**Remarks**

- All subjects will be offered on daytime sessions.
- The minimum enrollment number for Social Sciences Electives (SSE) and Social Work Integrative Electives (all streams) are 18 and 15 respectively;  
The subjects will be cancelled if the enrollment number is less than the minimum enrollment number for the semester during the subject registration period.  
Students will be notified to select other subjects if the subjects are cancelled before the add/drop period.
- The above offering pattern is tentative and for reference only. Students should check the subjects to be offered at eStudent during the Subject Registration Period.
- APSS reserves the right to change the offering patterns of the elective subjects and alter the subjects of the elective pool.
