| Subject Title | Economics and Social Problems |
| Credit Value | 3 |
| Pre-requisite/ Co-requisite/ Exclusion | Nil |
| Objectives | The subject aims to introduce students to the art of economic analysis and how it can be applied to analyze some major social problems in real life. A special emphasis is the social policy and administration implications, both insights and limitations, of the economic perspectives. Concepts and tools in economics will be taught and illustrated through applying them in examining social problems – a “learning by doing” approach. |
