| Subject Code | APSS231 |
| Subject Title | Hong Kong Society |
| Credit Value | 3 |
| Pre-requisite / Co-requisite / Exclusion | <u>Pre-requisite:</u> APSS112 Introduction to Sociology |
| Objectives | This subject intends to get students acquainted with a coherent body of knowledge concerning the socio-historical, socio-political and socio-cultural aspects of Hong Kong society. In the course of doing so, the subject will rely on sociological concepts, perspectives and theoretical statements to describe the social dynamics of Hong Kong society and identify its directions of change so as to prepare the students to face with the challenges and opportunities they are situated in. |
