* You may click the link of the corresponding subject title to view the course descriptions.

** All LU subjects are recognized by the Office of Undergraduate Studies (OUS) for fulfilling PolyU's Cluster Area Requirements (CAR). Upon completion of the subject (i.e. pass the subject), students can apply for credit transfer of CAR subjects according to the prevailing procedures. Please note that the GE subjects on offer cannot fulfil the CSR, CR/CW nor ER/EW requirements. Besides, only the credits transferred will be counted towards satisfying the award requirements, if applicable. The subject grades/scores will not be transferred.

✚ When & how to apply?

The Subject Registration Period for 2024/25 Semester One is scheduled **from 2 to 6 August 2024**. Current PolyU full-time UGC-funded undergraduate and higher diploma students who wish to join this programme can register the GE subjects of LU via eStudent during the Subject Registration Period. Due to the time-constraint, you can perform drop action only for LU subjects during the Adjustment before Semester Commencement Period and the Add/Drop Period.

You may refer to the [Class Timetable](#) and the [Regulations Governing PolyU Students Participating in LU/PolyU General Education \(GE\) Subject Sharing Programme](#) for more information of the operational arrangements of the GE Subject Sharing Programme.

Non-local students are required to obtain "no objection" to study in another local institution (LU) from the HKSAR Immigration Department before 2 September 2024, please click [here](#) for more details.

Please note that registration is on a first-come-first-served basis, you are advised to take prompt action if you are interested in registering any of the above LU subjects.

✚ Key Dates of LU's Semester One, 2024/25:

- Teaching weeks: 2 September – 3 December 2024
- Result announcement (Grade release date): 14 January 2025
