

1 January 2016

Dear BSE colleagues, students and friends,

Happy New Year! I send my best wishes to all of you who are celebrating the start of a wonderful year.

2016 will surely bring us the opportunity of more success. As we enter 2016 and look forward to the year ahead, I would like to acknowledge and appreciate all the efforts made by BSE staff, alumni and students in 2015.

The prosperous New Year has reached us along with new objectives, new challenges and changes. I thank all academic staff for their valuable contribution to applied research and quality teaching as well as other colleagues for their assistance either in administrative or technical aspect throughout 2015. As we are mindful that none of our goals can be accomplished without your assistance, we ask for your continuing support and cooperation in 2016.

Every end is just a new beginning. I hope all BSE students keep your spirits and determination unshaken in your study life. With courage, faith and efforts you shall conquer everything you desire.

Let's give a warm welcome to the year that kicks off a new mission, enjoy this year with new hopes and make the most of this year to achieve success in all your endeavors. Wish you happy New Year from the bottom of my heart.

Best wishes,

W.K. Chow

Head of Department
