

PolyU Info Day for Taught Postgraduate Programmes on 9 January 2016

The PolyU Info Day for Taught Postgraduate Programmes was successfully held on 9 January 2016. The Department of Building Services Engineering (BSE) participated actively in the Info Day to provide prospective taught postgraduates with up-to-date and comprehensive information of master programmes and curriculum.

After an overview of the Postgraduate Scheme in Construction and Environment by the Scheme Chairman, break-out sessions on individual postgraduate programmes were conducted. Postgraduate programmes offered by BSE included MSc in Building Services Engineering, MSc in Facility Management, MSc in Fire and Safety Engineering and MSc in High Performance Buildings which were under the programme leadership of Professor DU Yaping, Dr. Joseph LAI, Dr. N.K. FONG and Dr. C.K. CHAU respectively.

Prospective taught postgraduates participating actively in break-out sessions

We believe that the PolyU Info Day for Taught Postgraduate Programmes has facilitated prospective students' understanding of our Department and our academic programmes. We look forward to seeing them again in the coming future.
