A visit by Dr. Weiyong Wang from Chongqing University

2017.08.24

It was a pleasure of CNERC to receive Dr. Weiyong Wang of Chongqing University on 24 August 2017. Dr. Wang is currently an Associate Professor in the College of Civil Engineering, Chongqing University, and his research interests include fire structural engineering and steel and composite structures. Accompanied by Prof. K.F. Chung and Dr. T.M. Chan, Dr. Wang visited our robotic welding system in the Welding Laboratory, and the Structural Engineering Research Laboratory, PolyU.

Dr. Wang visited the Structural Engineering Research Laboratory, PolyU.
