## Construction Industry Council R&D Conference - S690/S960 and AI Rock 2024 2024.12.12

The Construction Industry Council (CIC) organized a Research and Development Conference entitled “S690/S960 and AI Rock 2024” on 12 December 2024 to promote R&D and technology development in the construction industry in Hong Kong. CIC invited Ir Prof. K. F. Chung, Director of CNERC, The Hong Kong Polytechnic University, and Ir Dr. H. C. Ho, Deputy Executive Secretary, to share the following:

“Research and development results and welding technology of high-strength structural steel S690 and S960” by Prof. K. F. Chung

“Application of high-strength structural steel S690 and S960 in Hong Kong construction projects” by Dr. H. C. Ho

CIC R&D Conference 2024 – Prof. Chung, Dr. Ho and guests

Prof. Chung and Dr. Ho sharing on research achievement and the recent application of high strength S690 and S960 steel in Hong Kong construction projects

Sharing session of Conference delegates
