Using *Tuesdays with Morrie* as an example, the workshop series will introduce to you the role and duties of different positions in a drama production. A rare opportunity to walk around the theatre at the preparatory stage of the production will be offered to the participants of specific workshops.

是次課程系列以舞台劇《相約星期二》為範例，在該劇的製作團隊引領下，學員將會深入各個製作崗位，了解其工作。學員更有機會走進劇場，一睹籌備舞台劇的情況。
