Acting is often seen as a form of self-discovery as an actor needs to use his or her body, voice and emotion to create a character. Mr Ben So, a professional actor, will cover in this workshop voice training, role play and excerpts from plays, initiating participants into the fascinating world of acting.

Mr Ben So graduated from The Hong Kong Academy for Performing Arts, majoring in Acting. During his school years, he received the Outstanding Actor Award and several scholarships. After graduation, he joined Asia Television and performed in a number of drama series. He has also worked with many theatre companies including the Hong Kong Federation of Drama Societies, Hong Kong Repertory Theatre, Spring-Time Chinese Opera, Spring-Time Stage Productions, Class 7A, Pants Theatre Production, Perry Chiu Experimental Theatre, Theatre Space, The Radiant Theatre, and Alice Theatre Laboratory. He co-founded action3actors.
