She takes inspiration from different characters in the local community; her figurines have a robust and humorous look that catches the viewer's eye. Follow Mr Tang Hoi-chiu in this guided exhibition tour of *Love Books, Love Phones, and Love Puffs* to see a new collection of ceramic figurines made with Japanese black clay, be amazed by the expressive ceramic figurines and experience the artist's observations of Hong Kong society.

Mr Tang Hoi-chiu, former Chief Curator of the Hong Kong Museum of Art, has curated a great number of exhibitions of both Chinese and Western art. He has also served as adjudicator and nominator for local and international art competitions.
