

Weaving Workshop 梭織班

Workshop participants will have the chance to explore this age-old craft and use a traditional weaving handloom to create a pouch of their own design. The workshop is designed to give an overview of basic weaving techniques, as participants experiment with a variety of materials and colours as part of the weaving process.

Ms Cecilia Lai is a local hand weaving artist who graduated from the Department of Fashion and Textile, The Hong Kong Polytechnic University. She established Breakthrough Art Studio in 2015 to promote the art of hand weaving and preserve this traditional craft.

以「梭織」作為本課程的核心，運用座桌型的梭織機，讓學員體驗傳統的工藝智慧，分享如何用一對巧手，化為數之不盡的圖案。學員不須有編織經驗，也可以享受製作「自家布料」的樂趣。本課程將使用梭織機或梭織工具，把布料加工成為小布袋，可以在日常生活中使用。

香港紡織文化推廣人黎潤詩畢業於香港理工大學時裝及紡織設計系，一直在追尋快要被遺忘的紡織工藝，並於2015年創立本土品牌織布機等紡織工具，積極投入推動香港梭織文化。
