DEAN'S MESSAGE

Welcome to the Faculty of Business of PolyU.

The Faculty of Business, known as PolyU Business School (PBS), is a world-class business school that offers top-quality academic programmes and spearheads cutting-edge research in business and related disciplines. We take pride in our accreditations from AACSB International (The Association to Advance Collegiate Schools of Business) and EQUIS (EFMD Quality Improvement System).

Dedicated to the pursuit of **Innovation-driven Education and Scholarship (IDEAS)**, PBS collaborates with stakeholders to create a positive societal impact sustainably, with a focus on Hong Kong and the Greater Bay Area. Through our educational programmes, partnerships, and close connections with industry and the professional community, we aim to share knowledge and technology with the wider community.

Our comprehensive portfolio of undergraduate and postgraduate programmes, many of which are endorsed by professional bodies, encompass key areas such as accounting, aviation, business artificial intelligence, ESG, finance, logistics, management, maritime, marketing, shipping, and transport. Alongside the BBA, MBA, DBA/DMgt, DFinTech, and specialised master's degrees, our research programmes also lead to the MPhil and PhD qualifications.

To maintain currency of our academic programmes and specialist consultancy services, our faculty members conduct pioneering and impactful research within and across their disciplines, supported by our Case Consortium and centres for branding and marketing, digital transformation, economic sustainability and entrepreneurial finance, financial technology, leadership and innovation, maritime data and sustainable development, and shipping and logistics. Our research has been ranked 41st globally in *The UTD Top 100 Worldwide Business School Rankings based on Research Contributions 2019-2023*.

We invite you to become part of our community of over 170 esteemed scholars from around the world, 4,800 students, and 55,000 alumni

HEAD'S MESSAGE

Welcome to the postgraduate programmes offered by the School of Accounting and Finance of the Faculty of Business at The Hong Kong Polytechnic University.

We are the first university in Hong Kong with an accounting department producing well established business managers and developing a large base of alumni. According to the University of Texas at Dallas (UTD) Top 100 Worldwide Business School Rankings based on research contributions to 24 leading business journals between 2019 and 2023, our Faculty has been ranked 41st in the world.

Our mission is to bring cross-discipline research into the classroom. We combine the best of both worlds of academia and real business. Our curriculum shows you how theories apply in today's business world. Today, technology brings disruption to the business; we offer technology-emphasized courses and workshops to deal with this trend. You will walk away from class well prepared to apply cutting-edge and up-to-date theories and practices in accounting and finance to your business decision-making.

Our Accounting and Finance postgraduate programmes foster professional, intellectual and personal development of business executives in the fields of accounting and finance. We work in close partnership with relevant professional institutes to develop these programmes so as to reflect the state-of-the-art accounting and financial practices. You will develop new perspectives and understanding, and be well prepared for the business challenges of today and tomorrow. Join us and you will be better equipped for continued success and future challenges where it counts most – in the real world.

Mission statement:

**BE A COMPETENT
FINANCE PROFESSIONAL**

DIRECTOR'S MESSAGE

Welcome to the Master of Finance programme (MoF), a professionally recognised programme that nurtured scores of industry elite and professionals.

The financial market is a very dynamic world. Financial innovations such as AI and blockchain technologies and the recent financial turmoil have changed the landscape of the financial sector. These changes will require more risk management and new financial regulations. Professionals in the financial sector need to keep abreast of these latest changes.

Our programme (MoF) earned recognition from the CFA institute and partners with GARP (FRM). With a comprehensive curriculum based on students' interest, students can concentrate on corporate finance or investment management. They will be equipped with the latest financial knowledge and skills that help them solve problems in the ever-changing corporate finance and investment management landscape.

In the past few decades, we have successfully facilitated the career development of numerous finance professionals. Many graduates now hold senior positions in financial institutions, regulatory agencies and listed companies in the Greater China region. Students thus have a strong network for pursuing careers in the financial industry.

Seize the chance to fully equip yourself with financial knowledge and skills that help you thrive in this dynamic financial world. Let this programme groom you as one of the very best professionals in the financial industry.

Dr Allen Ng

Programme Director of Master of Finance
Senior Lecturer, School of Accounting and Finance
