Overview on the Organisation

We are a leading full service brand agency in Melbourne that specialises in business branding solutions, strategy, design and creative to maximise brand awareness. Our dedicated experts stay up to date with the latest social media trends, strategies and developments in order to provide each client with a unique and successful social media campaign. Our Facebook Application Development and Social Media Management services also enable companies to easily connect with brand followers. We manage brands across social media, including the most popular social networks such as Facebook, Twitter and YouTube. As part of our Social Media Management service, our team develops a detailed social media strategy that takes into account the goals and intended function of the brand's social media. Our experts know how to use social media to effectively engage and excite target audiences about the brand and attract a stream of loyal brand followers.

Duties

Intern's tasks would indicatively be firstly working on research papers on Melbourne Art Culture and will publish them to our website and social media pages and will do illustrations if any come up that suit his/ her style of illustration then beyond that research docs for individual clients – more aligned with marketing style docs.

Please note that interns work on projects subject to what work comes up at the time, however the types of tasks the Intern will have the opportunity to participate in will align to their skills and interests wherever possible.
