

## **Internship Field: HR**

**Job ID: AU007**

### **Internship Dynamics**

Location: Melbourne, Australia

Length: 2 positions between June to August for 6 weeks

### **Overview on the Organisation**

We are leading provider, developer, publisher and distributor of tailored psychological resource solutions used in the assessment and development of Human Capital and Clinical arenas. To achieve our objectives, we have built a team of experienced Organisational Psychologists, partnered with leading world renowned assessment research centres such as the US Psychological Assessment Resources (PAR) Inc. and Western Psychological Services (WPS), and partnered with leading academic institutes in Australia. Throughout the processes of development and implementation of advanced customised people assessment solutions, we will help ensure you achieve a business advantage.

### **Duties**

The Internship will provide you with experience and exposure to a commercial Psychological Consultancy firm.

As an Intern you will likely gain exposure and experience in the following:

- Analysing and visualizing various business data through Rstudio and Python.
- Testing applications to ensure functionality and compatibility by using various testing tools and methodologies.
- Communicating with stakeholders and analysing their requirements to solve complex problems and develop commercial solutions.
- Engaging with application of data analytics within the reporting requirements of HR

### **Application Deadline**

24<sup>th</sup> January 2025 (Friday)
