

**Internship Field: Art and Design/Product Design/ Product Engineering**  
**Job ID: GE003**

**Internship Dynamics**

Location: Berlin, Germany

Length: 1 position from June to July (6 weeks)

**Overview on the Organisation**

We focus on furniture, accessory and interior design, always integrating sustainable material and traditional craftsmanship. We look for an idea behind each product, be it functional or emotional. Our concept is to be minimal, traditional and modern all at the same time, taking natural materials and re-introducing them into modern life.

**Brief Duties for reference:**

More will be discussed during interview

Design work:

- Product design Prototype development for glass pendant lamps: renderings
- Interior design for residential apartment.
- Floor plans and elevations

Knowledge for drafting in ArchiCAD would be great, Intern can also pick it up with us

Administration work:

- Contacting our clients
- Follow up the client's requests
- Attending our meetings

**Application Deadline**

24<sup>th</sup> January 2025 (Friday)
