

Internship Field: Aviation

Job ID: NZ015

Internship Dynamics

Location: Wellington, New Zealand

Length: 2-4 positions between June to August for 6-8 weeks

Overview on the Organisation

To tell the story of the New Zealand aviation industry, we aim to develop a strong New Zealand Aviation brand by fostering stakeholder relationships and building collaborative partnerships that embody a unified NZ Inc approach.

We collaborate closely with our divisions and sector groups, actively encouraging their involvement in all our initiatives. We also welcome individual company participation in our workgroups and activities, ensuring that we remain responsive to the needs of our members.

Duties

Develop a project in aviation training to help the New Zealand industry develop a coordinated approach to some international opportunities

- o Update and upgrade backgrounders for key markets (China, India, Indonesia and Vietnam)
- o Organise parts of the Annual Conference
- o Prepare for social media activities
- o Provide input and grunt to other duties that may have been discussed in the interview

Application Deadline

24th January 2025 (Friday)
