As the world's second-largest company in cookware, Meyer was founded in 1951 with affiliates in many countries throughout Europe, the U.S., Asia, and Australia. We offer consumers a stable of widely recognized cookware brands, including Farberware, Circulon, Anolon, Rachael Ray, Prestige, Racó, Esstele and Meyer. We are very nimble despite our large size, always striving to be the technology leader in our industry by focusing on good design, engineering, and innovation. The manufacturing facility in Thailand is the largest in Meyer, consisting of 5 factories on one campus that employ over 1,800 people and produce up to 100,000 products a day.
