

Host Employer:	Malaysia International Film Festival (MIFFest)
Internship Position:	Graphic Design and Multimedia Intern
Industry:	Cultural/performance related
Department:	Creative Department
Duration:	Between April/May to end-July (Minimum 10 weeks internship)
Internship Location:	Kuala Lumpur, Malaysia
Job Code:	A116
Company Website:	www.miffest.com.my

Since its inception in 2016, MIFFest has grown into Malaysia's largest-scale film festival, held every July as a key platform for diverse voices and talents. Rooted in Malaysia's cultural heritage, it connects local and international filmmakers through a shared love of cinema, spotlighting contemporary stories and fostering artistic freedom to enrich regional cinema and cultural dialogue.

Job Summary

The Graphic Design and Multimedia Intern will contribute to the festival's promotional efforts by developing visual assets for print and digital platforms, as well as assisting with multimedia tasks like video and reels editing. This role calls for strong design and software skills, meticulous attention to detail, and a cooperative approach, working closely with the team to deliver high-quality, visually compelling content.
