Working Hours / Week: 38.5

We are seeking a passionate trainee for our internal quality laboratory, ideally someone with a background in chemical and microbiological analysis who can work independently. This role is perfect for food science students who are eager to apply their knowledge in a practical setting and deepen their understanding of food and science. As part of our team, you will engage in a variety of tasks, including:

- Determination of protein and phosphate levels
- Analysis of yeast activity
- Microscopy techniques
- Preparation of culture media
- Microbiological analysis using plate casting and spatula methods
- Data acquisition and analysis

ADDITIONAL INFORMATION

The employer will conduct an interview with the applicant.

Deadline for Nomination - 23-Mar-2025

Date - 05-Mar-2025

On Behalf of Receiving Country - IAESTE Austria
