ADDITIONAL INFORMATION

** - Visa application – You are required to apply for a visa at your nearest Thai Embassy or Consulate. It is very important to apply as soon as you get your acceptance papers from IAESTE THAILAND the application procedure sometimes takes 8-12 weeks. The type of visa that you must get is Non-immigrant-“ED” only. If you wish to travel to the countries nearby Thailand, make sure that you have the multi-entries visa. We need to be informed about your visa extension at least 2 weeks before its expiration date.

Remarks :

** - In the past, bringing a significant other person while attending the internship has proven to be unsuccessful. Conflicts in schedules and distractions have in some cases led to a less than productive experience for both the intern and the employer. It is therefore requested that a trainee arrive unaccompanied to get maximum benefit from the time spent in his/her internship.
