

Employer:	Kunshan Kangchiao School
Internship Position:	Mathematics / Science teacher
Duration:	June – August 2025 (6 - 8 weeks)
Placement Location:	Kunshan
Mode of Internship[^]:	Physical
Job Code:	KS001

About the Employer:

- In 2012, at the invitation of the Kunshan Municipal Government, Kangqiao established its first school, providing a continuous education system from kindergarten to middle school. It has since opened campuses in Xi'an Qujiang, Hefei, Taizhou, and Changshu. Committed to the vision of nurturing socially elite individuals with international competitiveness, Kangqiao aims to create a refined campus that integrates Eastern culture with Western thinking, offering a high-quality learning environment for students.
- The Middle School Division of Kunshan Kangqiao School encompasses grades 7 to 12. The school guides students in their course selection based on their aspirations and career planning, aiming to cultivate them into socially elite individuals with international competitiveness. The overarching goal of Kangqiao is for graduates to become outstanding elites. Throughout their learning journey, students are dedicated to achieving the five "GREAT" indicators: Global Participants, Responsible Citizens, Effective Communicators: Mastering persuasive communication skills, Active Achievers, True Critical and Creative Thinkers.
