

Dear Research Students

The Research Postgraduate Student Orientation 2022 was concluded on 13 October 2022. The video recording of the event is available [here](#) and please log in to Blackboard with your NetID to watch the playback by **14 November 2022**.

We have also prepared a limited-edition souvenir (please refer to our post on [Facebook](#), [Instagram](#) and [LinkedIn](#)) for new students. You are welcome to bring your student ID card and collect one at the GS counter (Z404) during office hours if you did not get it at the orientation. It is distributed on a first-come-first-served basis while stock lasts.

Regards
Graduate School
