Subject: Cantonese courses for Non-local RPg students

Dear RPg students,

We have listened to your requests for more Cantonese courses to be available to you through the EXCELL programme in the Student Affairs Office. The Graduate School has communicated with the Director of SAO to request an increase in the number of Cantonese courses that will be available to English-speaking students. We are pleased to inform you that there will be more Cantonese courses on offer to you from semester 2 of 2022/23 onwards. We hope that as many of you as possible will take advantage of this increased offering and will register for these courses.

The Graduate School will always listen to your views and take action when necessary. Please continue to join us at our upcoming gatherings and let us hear your views!

Best wishes,
Graduate School
