Accessing ESG Opportunities

Funding, Market Advantage and more

- Form optional to mandatory, proactively start integrating ESG principles into their operations to stay ahead of regulatory changes and customer expectations.
- Form opportunities to “license to operate”, businesses without strong ESG practices may struggle to maintain their market position and access necessary resources.
- Get Ready, Start with ESGC Benchmark
- Do it now, Let’s do it
- Do it right, continuous monitoring, reporting, and improvement

What ESGC can help

- Jumpstart to obtain ESG report
 - Get ready to access coming ESG financing
 - For your business substitutability
-
- Obtaining the latest ESG benchmark reports and **quarterly** reports
 - Obtaining exclusive company and industry update for ESG performance
 - Enjoying the ESGC mobile application for **employee**
 - Enjoying membership discounts of ESGC seminar and attending key conferences
 - Enjoying services and products of ESGC **partners**, and receiving expert guidance and systematic advice
