### **Programme Rundown**

<b>Time</b>	<b>Unit</b>	<b>Topic</b>	
11.00	SAO Careers and Placement (CPS)	Early Career Planning and Career Services	Introduction to the importance of early career planning to first-year students, and the career services available, including the "INSPIRE" – PolyU Mentorship Programme; career development workshops; career advising and mock interview services; International/Mainland/Local WIE opportunities; recruitment talks; and career fairs.
11.25	SAO Counselling and Wellness (CWS)	Student Counselling Service and Wellness Promotion Programmes	We care about your personal growth! Having conversation with counsellors allows you a genuine space to approach, to process and to work through your concerns from different angles and perspectives.  We also provide different programmes to enhance your psychological growth such as Psychological Wellness Workshops and Groups, Mental Health Caring Project and Wellness Fund Student-initiated Projects.
11.50	SAO Student Development Unit (SDU)	Student Participation in the Governance of the University at Various Levels	The University is calling for student participation in the Election/Application for Student Members of different University-level Committees/Groups, e.g. PolyU Council/Senate/various University Committees and Institutional Services.  Find out more about the channels where students can contribute through voicing out feedback and opinions for the betterment of the University.
12.15	Academic Registry (AR)	Learn about Subject Registration, Secondary Major Options (AIDA & IE), and More	AR will focus on subject registration, secondary major options (AIDA & IE), and e-Language platform.
12.40	Alumni Affairs Office (AAO)	Check out How Alumni Leaders Assist Your Study Life	PolyU has a strong alumni base with more than 400,000 graduates, many of whom have become leaders in the respective fields and are keen to support the fellow students. Let's check out how the Alumni Affairs Office (AAO) and the Federation of PolyU Alumni Associations (FHKPUAA) would assist you during your study life at PolyU.

<b>Time</b>	<b>Unit</b>	<b>Topic</b>	
13.05	Education Development Centre (EDC)	Tips, Tools, and Resources for Your University Study	Are you ready to start your university study? Are you looking for tips, tools and resources that can help you study? Do you hope to become an effective & independent learner? Do you want to make a difference in teaching & learning? Join us and find out more!
13.30	English Language Centre (ELC)	Boost your English with ELC!	Wanna get free resources and advice to improve English during your PolyU study? Wanna practise English through fun activities and make new friends? Wanna know how the ELC could help? Join this briefing session to find out more.
13.55	Culture Promotion and Events Office (CPEO)	On-campus Art and Cultural Events and Programmes	CPEO will be presenting to you a great variety of art and cultural events and programmes on campus every year, encompassing music, concert, theatre, dance, visual arts and many more. You may also join our PolyU Orchestra, PolyU Theatre and PolyU Choir to nurture your artistic talent!
14.20	Campus Facilities and Sustainability Office (CFSO)	Introduction to PolyU GreenCoin: A Mobile App to Green Campus Experience	Climate change and anthropogenic carbon emissions are among the world's most pressing problems. To echo the University's vision to achieve campus carbon neutrality, the PolyU GreenCoin mobile app serves as an engagement tool to track and reward students and staff for their actions towards campus sustainability and carbon neutrality.
14.45	Global Engagement Office (GEO)	Student Exchange and Other Outbound Opportunities	PolyU offers a nice variety of off-shore opportunities for current undergraduate students, enabling students to thrive in dynamic, global environments by participating in overseas opportunities for study, research and life experience.
15.10		PolyU International Summer School	The PolyU International Summer School provides you with the opportunity to gain international exposure with students from all over the world. A diversified range of credit-bearing subjects, field trips, and enrichment activities will be provided for your selection.
15.35	Student Affairs Office (SAO)	Worldwide Emergency Assistance Service	PolyU has engaged the International SOS (ISOS), a leading medical and travel security assistance provider, to provide worldwide emergency support to students who participate in PolyU's authorised outbound activities. Students can reach ISOS for services such as pre-trip preventive advice, medical referral, translation service and emergency assistance.
16.00	SAO Counselling and Wellness (CWS)	Sports Team	Sports Team aims to promote active lifestyle and to encourage regular exercise by providing high quality sports facilities. We educate physical knowledge and skills by organising sports courses and physical wellness activities. We also sharpen sports talent by building an outstanding sports team with good sportsmanship.
16.25	SAO Careers and Placement (CPS)	Early Career Planning and Career Services	Introduction to the importance of early career planning to first-year students, and the career services available, including the "INSPIRE" – PolyU Mentorship Programme; career development workshops; career advising and mock interview services; International/Mainland/Local WIE opportunities; recruitment talks; and career fairs.
