

Textile Print Designer (6-month contract)

William E. Connor is a leader in the fashion and home decor, known for innovative designs and exceptional quality. We are looking for a talented and creative Textile Print Designer to join our team and help shape the visual identity of our products.

The Textile Print Designer will create original and trend-driven print designs for apparel, home textiles, or other product categories. The ideal candidate will have a strong sense of aesthetics, exceptional technical skills, and a passion for creating unique and marketable designs that align with our client's vision.

Job Accountabilities

- Create original textile prints, patterns, and repeats using both hand-drawn and digital techniques.
- Develop trend-inspired collections that align with seasonal themes and market demands.
- Conduct research on current and upcoming trends in colors, patterns, and materials.
- Stay updated with advancements in printing techniques and technologies.
- Work closely with the design team to ensure designs meet product requirements.
- Present concepts and final designs to clients.
- Prepare detailed artwork and specifications for production.
- Ensure all designs are print-ready and follow required technical guidelines.
- Collaborate with printers and manufacturers to ensure design quality and consistency throughout production.

Job Requirements

- Bachelor's degree / Higher Diploma in Textile Design, Graphic Design, Fine Arts, or a related field.
- Proven experience as a textile designer or in a similar role.
- Proficiency in design software such as Adobe Photoshop, Illustrator, or similar.
- Strong understanding of textile printing techniques (screen, digital, rotary, etc.).
- Excellent eye for color, composition, and detail.
- Ability to interpret trends into commercially viable designs.
- Strong organizational skills and the ability to manage multiple projects simultaneously.
- Experience with CAD software or 3D textile design tools is a plus.
