

Fashion Designer (Full Time/Freelance) (Pet-wear & Human-wear)

Max Summit Development Limited

San Po Kong, Kowloon, Hong Kong

Originating from a fashion and outerwear manufacturing background, our Company is now looking for local, young and dedicated fashion designers to take part in our upcoming pet fashion project.

The job

- Mainly responsible for designing pet fashion and pet-wear items, in close cooperation with our team
- To create, edit and finalise such pet fashion designs, as well as associated fashion graphic design
- To liaise and work closely with our Director, Brand Manager and factory in the product development, fashion design and sampling processes
- To assist in product development in relation to pet-wear, pet accessories as well as human-wear under our pet fashion brand
- Freelance, negotiable salary offered per job

The person

We eagerly look for young, passionate and open-minded local fashion designers to cooperate with our team. You will be given challenging and yet fulfilling opportunities in the pet fashion design processes, as well as ample room for growth and partnership. Initial requirements are as follows:

- Diploma or above in Fashion Design disciplines (current undergraduate students are also welcome)
- Experience in fashion design and basic fashion graphic design is compulsory
- Computer-aided design proficiency in Adobe Ai and Ps is a must

- Possess working knowledge about colour, materiality and foundational principles of fashion design, with good fashion sense
- Proficiency in AutoCAD, Microsoft Office Suite and 3D visualization software is a plus (but not compulsory)
- Good visualisation and communication skills, in Chinese and English
- Responsible, motivated and passionate, with good time management skills
- Able to work both independently and closely with our team

If you are interested in the role, please include a simple cover letter, resume and fashion design portfolio in your application, via e-mail to

[melanie@freedragon.com.hk] (Attn: Ms. Melanie Lam) before [8/22/2021]. All information provided by applicants will be treated in strict confidentiality and used for recruitment purposes only.
