

YOUTH START-UP INTERNSHIP PROGRAMME

青年初創實習計劃

More Openings are Available Now!

Looking for Internship During Semester?

Additional internship opportunities are waiting for you!

The Youth Start-up Internship Programme, co-organised by Cyberport and Home Affairs Bureau (HAB), bridges talented students and the Cyberport Community Companies by offering 3-month internship opportunities and various enrichment activities to enthusiastic youths. HAB will provide salary subsidies to Cyberport Start-ups for engaging interns under the programme.

Participating Company:

Start-ups of Cyberport Community

Internship Position:

Cross-Disciplinary Internship Placement
(e.g., Data Analysis, Programming, Marketing, Design)

Internship Duration:
3 months

Who can join?

- Aged between 18 and 30
- Full-time student from a local post-secondary or tertiary institution
- Hong Kong Permanent Identity Card Holder
- Currently not a beneficiary under any publicly funded internship programme

Why Join?

- Apply acquired knowledge to gain authentic work experience
- Develop and sharpen your specialised and transferable skills
- Gain a career head start in the digital tech industry
- Build network with professionals and leaders in the start-up community
- Receive salary subsidies up to \$10,500 per month
