

Bright Sun Global Enterprise Limited

Bright Sun is a fashionable textile company established in Hong Kong in 1991 by lace experts. We continue to be the forefront of the lace design industry and stand on originality and creativity over the past 30 years. It is the mission for Bright Sun to be a reliable supplier of all her serving parties, not to mention recognitions from world's leading brands like VS, H&M, M&S, etc.

Apart from business operation, we are dedicated to Corporate Social Responsibility and contributes in various activities for business sustainability, such as Go Green program, pollution-free working area. It provides a comfortable and healthy working environment for staffs, as well as promotes environment protection.
