We are a well-established multinational group engaging in sourcing & trading of apparel products. We have developed long lasting relationships with many of the world's top designer labels. To cope with the business growth, we are seeking for high caliber candidates to fill the following position:

Senior Design & Product Developer / Design & Product Developer (All Garments)

Job Responsibilities

- Research and analyze fashion trend direction
- Assist in sourcing & selecting of fabric, yarn and garment materials for samples development & production
- Assist in product development and design functions
- Prepare presentation materials

Job Requirements

- Degree holder in Fashion Design or related disciplines
- About 5 - 6 years' solid experience in fashion design
- Strong fashion sense and have passion in fashion industry
- Good command of written & spoken English
- Proficient in Photoshop and Illustrator
- Knowledge in Digital / 3D Design is definitely an advantage
- Aggressive, creative, detail-oriented and open-minded
- Able to meet tight deadline and work under pressure
- Candidates with talent and potential but with less experience will be considered for the post of Design & Product Developer

We offer attractive remuneration package and good prospect of career opportunities to the right candidates. Interested parties, please send your detailed CV & Portfolio with your expected salary and available date to HR Department via recruitment12@mmagtague.com
