### About MGF

MGF Sourcing is an independent global sourcing company with a specialization in apparel and accessories. With more than forty years of experience, we have developed a strong track record as an agile and trustworthy partner. Headquartered in Columbus, Ohio, the company maintains offices in China, Hong Kong, Indonesia, Korea, India, Bangladesh, Sri Lanka, Vietnam, and the United States. Our global team collaborates across categories and borders, supporting innovation and increasing flexibility and speed to market for our customers through our ability to provide design, distribution, production oversight, and other manufacture management services.

### About the role

This internship provides an opportunity to Fashion Design students to acquire practical work experience with a global merchandising organization, also being a part of our future talent pipeline. You will learn about the end-to-end design process from sketching to product presentation by working closely with our Woven/ Denim designers. We might consider hiring students with outstanding performance as a part-time after the internship.

### How your day looks like at MGF:

- Assist our Sweater / Denim designers to manage the end-to-end design process, with key focus on sketching, preparing, and enhancing product presentation to customers as well as other related administrative work
- Conduct trend research and support brand related marketing functions upon request
- Assist in other ad-hoc duties as required

### What You'll need:

- Academic background in Fashion Design, Fashion & Textile or any related disciplines is preferred
- Good in Photoshop, Illustrator and InDesign
- Knowledge and experience in 3D design software is a plus
- Strong fashion sense with good interpersonal and communication skills
- Creative, well-organized and detail-oriented, with the ability to manage priorities and multi-task
- Good command of written and spoken English, Cantonese and Mandarin

### The Key Competencies you should have:

- Be Fast & Agile
- Collaborate
- Creativity/Innovation
- Teamwork
