

Job Description

Position	Intern, Fabric R&D
No. of Openings	1-2
Working location	Kwun Tong
Reporting to	Senior Merchandiser, Fabric R&D
Allowance	HK\$9000 per month

About MGF

MGF Sourcing is an independent global sourcing company with a specialization in apparel and accessories. With more than forty years of experience, we have developed a strong track record as an agile and trustworthy partner. Headquartered in Columbus, Ohio, the company maintains offices in China, Hong Kong, Indonesia, Korea, India, Bangladesh, Sri Lanka, Vietnam, and the United States. Our global team collaborates across categories and borders, supporting innovation and increasing flexibility and speed to market for our customers through our ability to provide design, distribution, production oversight, and other manufacture management services.

About the role

This internship provides an opportunity to Fashion & Textiles students to acquire practical work experience with a global merchandising organization, also being the part of our future talent pipeline. You will learn about the fabric sourcing & development process by working closely with our fabric R&D and merchandising team. We might consider hiring students with outstanding performance as a part-time after the internship.

How your day looks like at MGF:

- Support the Fabric R&D team throughout development process
- Prepare trend board and related materials for customer presentation to drive additional business
- Partner closely with our design and merchandising teams for fabric presentation
- Provide daily clerical support to the team, including but not limited to daily data and report management, etc
- Assist in other ad-hoc duties as required

What You'll need:

- Academic background in fashion and textile
- Relevant knowledge in yarn, weaving, knitting, dyeing, printing & finishing, etc. preferred
- Good communication skills
- Good analytical thinking and organizing skills
- Strong in MS Excel and PowerPoint
- Good command of written and spoken English, Cantonese and Mandarin

The Key Competencies you should have:

- Be Fast & Agile
- Collaborate
- Creativity/Innovation
- Teamwork

Additional Information:

Applicants can apply the job by sending their CV to careers@mgfsourcing.com.

Mr Clement Hung will be the contact person and applicants are welcome to call him for the job details. His office number is 2500-2650, email: chung@mgfsourcing.com.
