

C&A Sourcing is the exclusive sourcing arm of C&A, a leading fashion retailer with operations in Europe, Brazil and Mexico. C&A has two corporate offices in Europe, one in Brussels, Belgium, and the other in Düsseldorf, Germany.

The success story began in 1841, when the brothers Clemens and August (C&A) Brenninkmeijer opened a textile warehouse in Sneek, Netherlands. It was one of the first outlets to offer made-up products, i.e. ready-to-wear items of clothing in various sizes, to the broad public. Today, C&A Europe welcomes and provides millions of visitors per day with good quality fashions at affordable prices for their entire family.

Headquartered in Hong Kong, C&A Sourcing currently operates sourcing activities in Bangladesh, Cambodia, India, Pakistan, Shanghai and Turkey.
