

Program Highlights

The Management Executive Program is designed for those with strong leadership potential and a commitment to building a successful career in the apparel industry. We aim to nurture, groom and grow future leaders through an intensive 1-year program that will set you up for a successful and rewarding career with TAL Apparel.

Management Executives in TAL Apparel will receive:

- Excellent exposure rotating across merchandising, fabric & material sourcing as well as factory operations overseas
- Various classroom and on-the-job trainings through the opportunity to design and implement cross-functional projects
- Comprehensive leadership development and mentoring from our top management to accelerate your personal and professional growth

About us

Established in 1947 in Hong Kong, TAL Apparel Limited is one of the largest garment operations in the world, driven by a simple formula of combining quality garments, on time delivery and product innovation. Today, TAL Apparel is well-known as the supplier of one out of every six men's dress shirts sold in the U.S. market, producing technologically advanced garments that combine superior styles, comfort and functionality.

Our commitment to continuous innovation through investment in research and development has given us the technological edge that guarantees our garments deliver enhanced performance that feel and look great! From wrinkle free and stain resistant treatments, to every aspect of garment manufacturing technology, TAL Apparel leads the way and sets the industry standards.

With 75 years of industry experience, we understand the needs of our customers and tailor our processes to meet those specific needs. We apply the same commitment to innovation to our replenishment solutions through devising

impactful inventory management models and adding value across end-to-end supply chains. Every solution we have formulated has a single goal: to help customers save time and costs and optimize profits.

We are committed to sustainability in everything we do. We continuously strive to minimize our impact on the environment while positively contributing to the communities in which we operate. TAL Apparel embraces a triple bottom-line sustainability framework (People, Planet & Profit) which explicitly acknowledges the important relationship between the company's business performance and its social and environmental elements.

Today, we proudly claim that we are an Innofacturer®, as a leading innovator in our field.
