Service Project																							
What will students do to serve?	<p>Students joining this seminar group will be responsible to facilitate English speaking/reading workshop for primary school children in Taiwan/ Cambodia/Hong Kong.</p> <p>Prior to the service, you will be introduced to basic teaching skills and background information about how English is taught and learnt at the service location. You then develop a relevant teaching kit for the service recipients. Given the uncertainty caused by the COVID-19 pandemic, our default position is to render the teaching service online. If air travel is later encouraged, we might consider physically going to the service location. Students applying for this subject should be flexible enough to deliver the service either face-to-face or online.</p> <p>We have three teams serving three different service locations (Taiwan, Cambodia and Hong Kong). You should pay attention to the expected service period before you commit to the team you are applying. Details can be found from http://elc.polyu.edu.hk/subjects/ELC2S02/</p>
