

# User Guides of Air Play with Apple TV

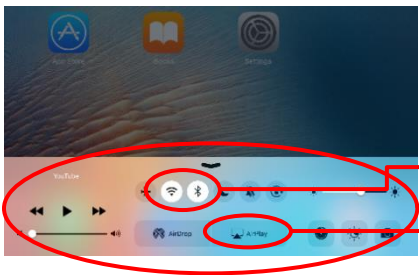

*You are requested to bring you iphone / ipad.*

Step 1.  
Press the icon to select the source.

Step 2.  
Press the icon of "Apple TV".

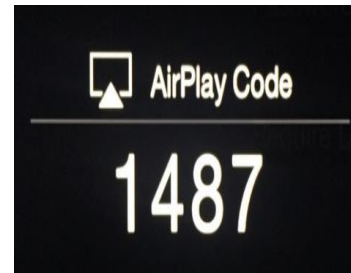

Step 3.  
Open "Control Center" by swiping up bottom of your *ipad or iphone* screen.

- i. Turn on the *Wifi and Bluetooth* function.
- ii. Connect *Wifi* to "PolyUWLAN"
- iii. Press the "Air play" icon

Step 4.  
i. Press the "Room Number" on the Air Play Box  
(Note: Room number is classroom where you are sitting now.)  
ii. "Mirroring" box will be popped up and turn it on.

Step 5.

The Air Play "password" will be showed on the projector screen.

Step 6.

Input the password to your *iphone / ipad* and press **OK**.

The content of *iphone / ipad* will be displayed on the projector screen. To stop it, please repeat step 4 and 5 to turn "Mirroring" off.

## Power Reset

If the Apple TV is halted. Please press the "power reset button" to resume normal.
