

# **First International Conference on Sustainable Urbanization (ICSU 2010)**

**15 – 17 December, 2010, Hong Kong, China**

**<http://www.polyu.edu.hk/fclu/ICSU2010/>**

## **Half-day Mini-Symposium on Low Carbon City**

### **Aims:**

- To establish and strength networks in the areas of urban energy policy, economics and planning for urban development, and carbon management
- To share research results and exchange ideas
- To seek policy support from the government to develop and promote the concept of low carbon city

### **Organizers:**

Construction and Real Estate Law & Policy Research Group,  
Department of Building and Real Estate, Faculty of Construction and Land Use  
The Hong Kong Polytechnic University

### **Organizing Chairs:**

Prof. Edwin H. W. Chan

Email: [bsedchan@inet.polyu.edu.hk](mailto:bsedchan@inet.polyu.edu.hk)

Dr. Bo Tang

Email: [bsbstang@inet.polyu.edu.hk](mailto:bsbstang@inet.polyu.edu.hk)

### **Invited Speaker:**

Prof. Steffen LEHMANN,

UNESCO Chair in Sustainable Urban Development for Asia and the Pacific, University of Newcastle, Australia

### **Call for papers:**

You are invited to submit abstracts for presenting at the Mini-Symposium. Abstracts (in 200 – 300 words) should be submitted as email attachment to Dr. Meng NI ([bsmengni@inet.polyu.edu.hk](mailto:bsmengni@inet.polyu.edu.hk)) or Dr. Lennon Choy ([bslennon@inet.polyu.edu.hk](mailto:bslennon@inet.polyu.edu.hk))> Full paper submissions are welcome after 1 March 2010.

### **Topics:**

- Climate change mitigation technologies
- Urban energy and environment policy
- Economics and spatial planning strategy for climate change
- Low carbon urban vision, strategy and initiatives
- Low carbon transportation and environmental policies
- Low carbon mitigation and enforcement measures
- Carbon trade, regional co-operation and institutional development
- Corporate environmental management and social responsibilities
- Zero carbon, environmental and design standards
- Low-carbon and sustainable economy
- Urban eco-redevelopment and eco-tourism
- Carbon emission impact assessment and design standards
- Green building design, technology and management for low carbon
- Low carbon best practice examples and case studies

### **Publication in Special Issues of Journals:**

Revised and extended versions of papers presented at the conference will be published in the following journals:

- *Architectural Science Review*
- *Habitat International*
